### SHELTER TAILS...

February 2025

Dear Amanda,

February is coming to an end, but we continue to share the love at the shelter every day!

Whether you're looking to adopt a soulmate, give the gift of time as a volunteer, or donate, there are so many ways to make a difference in the lives of our adorable animals.

Read on for some February news from Humane Society of Carroll County!

#### HSCC'S FIRST ANNUAL PUP-ER BOWL

Super Bowl Sunday started early at the shelter this year, as volunteers and staff staged our First Annual Pup-er Bowl.

Happy, a dog who came to us from a crowded shelter in Texas, gave birth to 10 puppies in . We split these adorable players into "Team Beagles" and "Team Cuddles." In the run-up to the game, supporters were able to buy squares in our "Pup-er Bowl Squares" game gave for the chance to win the right to name one of the puppies!

Despite some (major) confusion over what, exactly, they were supposed to be doing, an adorable final game was streamed at 4:30 that afternoon. You can watch it now on our new YouTube page!

Huge thanks to our volunteers and staff for making this event a success!

## SHELTER SUCCESS!

For those who attended Tails at Twilight, you may remember Zain. Zain came into the shelter in November 2024 with an enormous tumor. Thanks to the financial support of our community, we were able to move forward with his medical care. We're thrilled to announce the tumor has been removed and the biopsy results came back benign. Zain is currently recovering in a foster home!

### AWESOME ADOPTION STORY!

Jennifer writes to us with an update on Angus, who was named Cotton while in the shelter.

"Within an hour of entering his furever home, he took over," Jennifer tells us. "He spends his nights cuddled in the crooks of our arms, on our chests or on our pillows above our heads." During the day, he enjoys cuddling, purring, and playing with his human and furry family alike!

Angus had been a nervous cat at the shelter, which means his comfort in his new home all the more precious to Jennifer and her family. "He's so happy here, which makes us thrilled he accepted us."
